

Support your staff and their professional development

BECOME A CORPORATE SUPPORTER OF IPAA QUEENSLAND

Becoming a *Corporate Supporter* of the Institute of Public Administration Australia (IPAA) Queensland is open to any organisation driven to foster the personal and professional development of their staff, by investing in public sector training and ensuring the sector's future success.

Corporate Supporter subscriptions are designed for government departments, councils, agencies, organisations and consultancies which send their staff to IPAA Queensland **iQ** Training and **iQ** Events on a regular basis, by offering discounts for your employees' professional development.

As an extra benefit for becoming a *Corporate Supporter*, your organisation will be awarded (based on your level of subscription) between one and five exclusive individual *Corporate Membership/s* for your executive and senior level managers. These memberships are for individuals (valued at \$180 each) and are complimentary, allowing your senior executives access to a range of networking events, leadership gatherings and informative presentations provided by the Institute.

To help you identify the right people to award these individual memberships to, please visit www.qld.ipaa.org.au to view the criteria for nominating a *Corporate Member*. You will receive an email upon joining asking you to nominate your *Corporate Member/s*.

As well as the complimentary *Corporate Membership/s*, you will also nominate one primary contact to manage your subscription.
